

Kansas Internet Crimes Against Children Task Force
KS I.C.A.C. Training

KS I.C.A.C. training opportunities for 2010 include classes taught by Detective Shawn Bostick who is certified to instruct the following classes:

- Cyber Investigation 100 - Identifying and Seizing Electronic Evidence (ISEE)
- Cyber Investigation 101 – Secure Techniques for Onsite Preview (STOP)
- On-Line Child Exploitation Investigations
- Child Protection Systems – formerly known as the Wyoming Toolkit.

Detective Bostick, on behalf of the Kansas Internet Crimes Against Children Task Force, provides instruction on these subjects for Kansas law enforcement officers and prosecutors. The Sedgwick County Sheriff's Office/Kansas ICAC, coordinating with the Kansas Law Enforcement Training Center (KLETC), is presenting the following classes at **KLETC**. <http://www.kletc.org/>

- February 2010 (ISEE/STOP) & (STOP update)
- March 2010 (ISEE)
- September 2010 (On-Line Investigation)
- December 2010 (On-Line Investigation)

The following classes are being instructed at 4 regional locations in Kansas to increase accessibility for ICAC affiliate agencies. The regional classes will be held in the following communities:

- Topeka, KS. – On-Line Child Exploitation Investigations, March 15 – 17, 2010
- Mission, KS. – Cyber Investigation 100 & Cyber Investigation 101, April 12 – 14, 2010
- Dodge City, KS. – Cyber Investigation 100 & Cyber Investigation 101, July 12 -14, 2010
- Colby, KS – Cyber Investigation 100 & Cyber Investigation 101, October 25 – 27, 2010
